# FAMILY TIME

## **Cavallino Matto**

Cavallino Matto is the most environmentally friendly amusement park in Italy. Situated in Marina di Castagneto Carducci, it is completely surrounded by the lush Mediterranean pine forest. The park covers over 8 hectares of land and offers more than 30 attractions as well as fantastic shows for both children and adults.

Visit <https://www.cavallinomatto.it/> for more information.

## **Giardino Sospeso**

The adventure park is situated in Il Giardino, in Riparbella's municipality, 500 meters from the Cecina Nord exit of the Variante Aurelia, heading towards Volterra. It is a short distance from the sea, set within 600 hectares of forests. There are courses available for adults and children aged 10 and above.

Visit <https://www.ilgiardinosospeso.it/> for more information.

## **Parco Gallorose**

The zoo park is surrounded by nature with a 3 km route suitable for everyone, to be done with absolute calm. From Africa to the Farm, from museums to the botanical garden. More than 14 thousand different plants and over 130 species of animals from the five continents and from the common farm.
